

Changing your approach to Qualifications

Level 2 Certificate in Preparing to Work in Adult Social Care (QCF)

Care Academy has launched the UK's first online qualification 'Level 2 Certificate in Preparing to Work in Adult Social Care' (QCF) designed to provide entry into the social care sector. It is designed to support induction and provide an ideal platform for continuous professional development in line with both Skills for Care and Care Quality Commission guidelines.

In addition to being a fully accredited QCF qualification, eligible employers can also claim Workforce Development Funding (WDF) of up to **£300.00** per qualification. A full range of benefits include:

- As an accredited Skillsfirst (QCF) qualification, clients can be assured of the quality of learning and assessment.
- E-learning, e-assessment and e-support is all facilitated via Care Academy.
- Learners are not required to complete Care Academy e-learning prior to enrolment, clients can select their own training delivery and simply enrol learners when they are ready to complete the e-assessment.
- Upon completion, learners achieve **20 credits** towards Level 2 Diploma in Health and Social Care.
- **2 units** map directly to 9 mandatory units required as part of Level 2 Diploma in Health and Social Care (Adults).
- The qualification meets the requirement for mandatory induction training (CIS), Technical Certificate for Apprenticeships and provides the underpinning knowledge elements for progression onto the Level 2 Diploma in Health and Social Care (Adults) for England (QCF)
- A highly qualified workforce can be beneficial when dealing with commissioners', inspectors (CQC) and service users.
